Take a deep breath

This is the training centre. You should be standing just inside the large door on the red circle... collared, shackled, branded, tattooed and etched.

Behind you is your past life as a free person; directly in front, your future and the first step on that journey the slave training & help area.

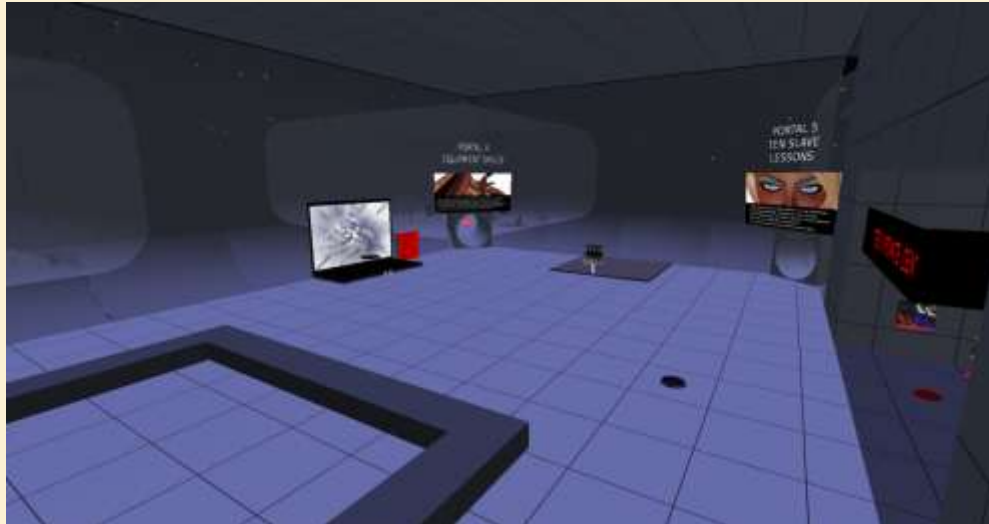

Don't move just yet, let things rez and take a look around

to the left: Portal # 1 - Toy Slaves Club Skills

to the left: Portal # 2 - Toy Slaves Movement Skills

across the floor: Portal # 3 - Toy Slaves Escort Skills

to the right: Portal # 4 - Toy Slaves Equipment Skills

to the right: Portal # 5 - Ten Slave Lessons
(only for graduates who have completed portals 1 thru 4)

almost beside you: - The Update Centre

This book will give you a brief overview of the process you are about to undertake. You should keep the link handy in case you get lost or are uncertain as you proceed through training, each step is noted here and explained in more detail in the books you will receive in each portal. **Bookmark this welcome book url on your computer** then read it completely before proceeding

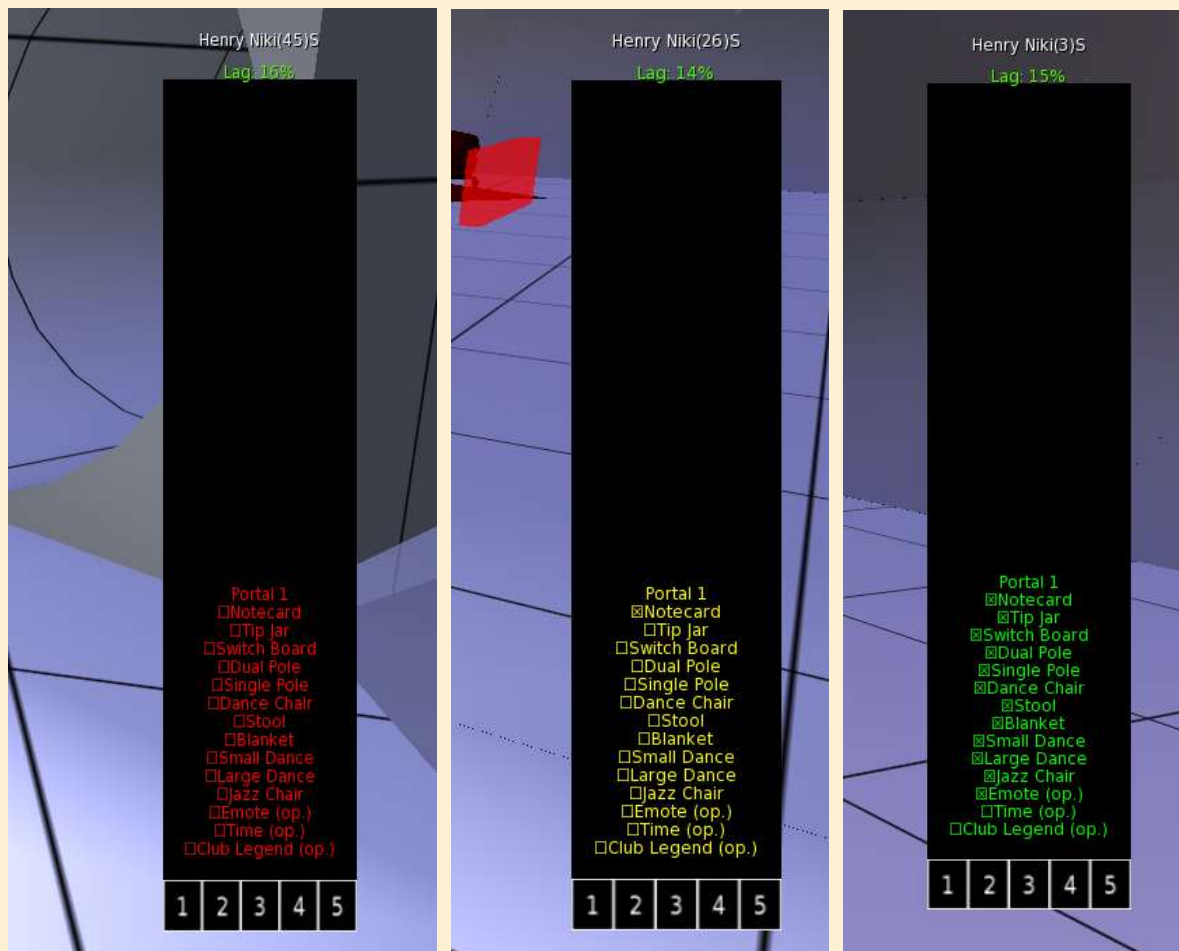

Welcome to Toy Slaves and Good Luck!!

The First Steps

1. Follow the green line to the left.
2. Stand on the red square and set your home position here.
(world menu >>> set home to here)
3. You are not permitted to leave the sim. During training you will return to this area.

LESSON PORTALS

You should receive the lesson notecard as you enter each of the portals (If you don't automatically receive it - click on the stand inside the portal entry). As you enter each of portals 1, 2, 3 & 4, your HUD will switch to the active portal. The HUD will track your actions for each portal giving an "x" in the box as each item or activity is completed.

red before you enter then yellow inside green when complete

Note: Outside the portal none of the boxes has an "x". Once you enter, you receive the link to the text for that portal and the checkbox beside Note card shows complete. As each item is completed, it is shown as complete by an "x". **In Portal 1, three items are shown as optional (op) and do not have to be done for the HUD to turn green and allow you to move to the next portal.**

You should have received this video as you walked down the line, if you did not watch it then, watch it now:

The video demonstrates the use of the HUD in Portal 1. It will track your movement through the training area giving an "x" for every item completed and turning green upon completion of each of the first 4 training portals.

Click on the page to magnify or follow the link to YouTube.

In Portal 1 - Club Skills, we'll teach you about some of the things that make dancing at Toy Slaves Brothel special. Upon entering the portal you will receive a book describing the equipment in the club. Then, as shown in the video, you get a chance to see it all in action and give it a try. We encourage you to develop your own emotes, but, we have more than a hundred samples to get you started.

Once your HUD turns green move on to Portal 2.

Again, as you enter Portal 2, SL Skills you'll receive a book describing how the Obstacle Course works. Follow the instructions, it's really quite simple.

Once your HUD turns green move on to Portal 3

Portal 3 - Escort Skills is a little like our library, but it is a library full of interesting videos and information to help you thrive at Toys.

Pay careful attention to the information here, when you leave Portal 3, you will know among other things. **By the way and importantly, these are things that the Dominants are sure to check when they meet you.**

- How to address the Dominants
- How to greet Dominants & customers
- Details about your control starting with friending the Dominants
- How to listen to voice and if you wish, how to use it
- Tour our Play Areas & Learn about our groups
- Your personal look, the equipment you must wear
- Setting preferences for your look and your viewer performance
- Receive suggestions for your personal security & privacy

Once your HUD turns green move on finally to Portal 4

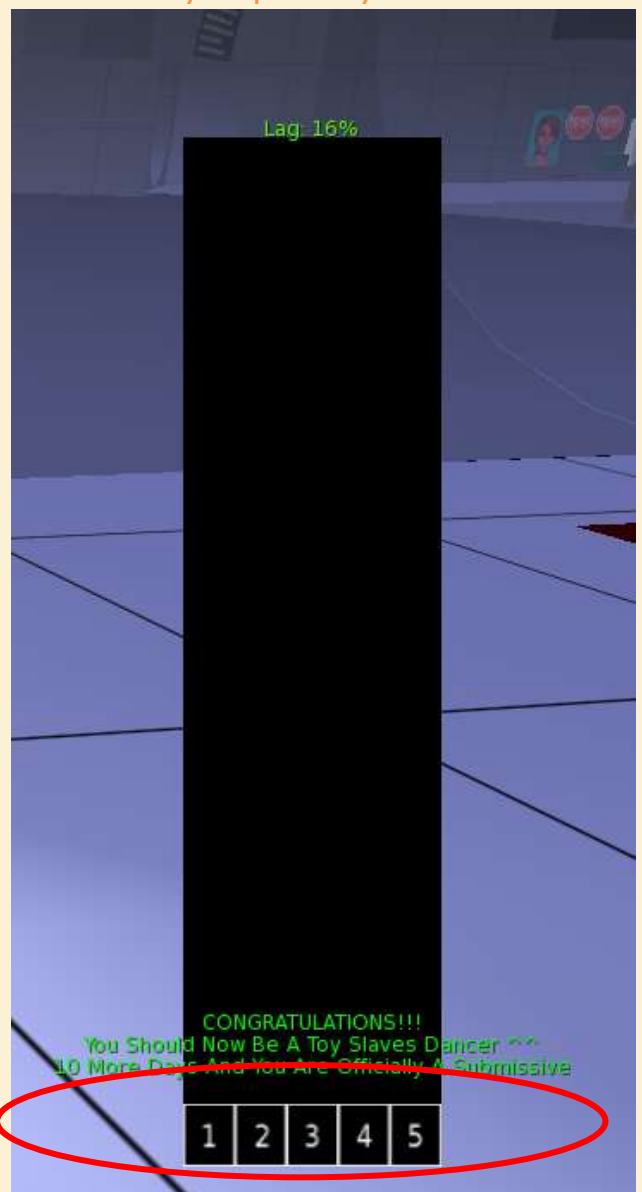

Finally, Portal 4 - Equipment Skills

Here, you can see the most common equipment used in our play areas. We describe how sometimes things around here, like counters and tables aren't what they appear to be. We'll teach you how to get around our 5 sims and offer you some practical advice on Emoting Sex Scenes (just a little different from dancing in the club).

Great!! You've completed Portal 4 and graduated

You will receive a Toy Slaves Group invite for the dancer tag. The tag over your head now says "Toy Slaves Dancer".

You should receive a graduation kit. In it, are instructions for your next steps.

OMG, you've Graduated!

Make sure to read the Next Steps or you may not be able to leave the sim.

A graduation message will be sent out to the Dominants

::♥~♥::._:♥~♥::._:♥~♥::._:♥~♥::._:♥~♥::

This girl has passed all requirements

And is ready to graduate to a toy dancer

::♥~♥::._:♥~♥::._:♥~♥::._:♥~♥::._:♥~♥::

you will have an escort ad board, and begin to receive arrival messages for the club in local chat green text.

XXXX X (Male - No PayInfo - 806 Days Old) Has Arrived At Toy Slaves Landing Point BROTHEL (126,126,21)

[14:19] Trix Braveheart: XXXX X (Male - PayInfo On File & Used - 283 Days Old) Has Arrived At Toy Slaves Landing Point BROTHEL (126,126,21)

If the HUD has issues graduating you, it will keep trying till it goes through.

IF THE HUD DOES NOT TURN GREEN OR YOU DO NOT RECEIVE THE GRADUATION NOTICE AND THE GROUP INVITE WITHIN 3 OR 4 MINUTES, CALL OUT IN THE TRAINING GROUP CHAT. ONE OF THE DOMINANTS, GIRLS OR A TRAINER WILL ANSWER YOUR CALL. WE HAVE GIRLS ON 24/7, HOWEVER, IF YOU DO NOT RECEIVE AN ANSWER SEND A NOTECARD TO TRIX BRAVEHEART. I'LL DEAL WITH IT NEXT TIME I'M ON. IN THE NOTECARD, MAKE SURE YOU TELL ME THAT YOU HAVE COMPLETED PORTAL 4 AND DID NOT RECEIVE THE GROUP, ALSO, AS A SECURITY MEASURE INCLUDE THE WORD REQUIRED FROM YOU IN PORTAL 3 (you'll know what that means once you complete portal 3)

***** DO NOT ENTER PORTAL 5 YET *****

The graduation card, will direct you to go to the Update Centre.

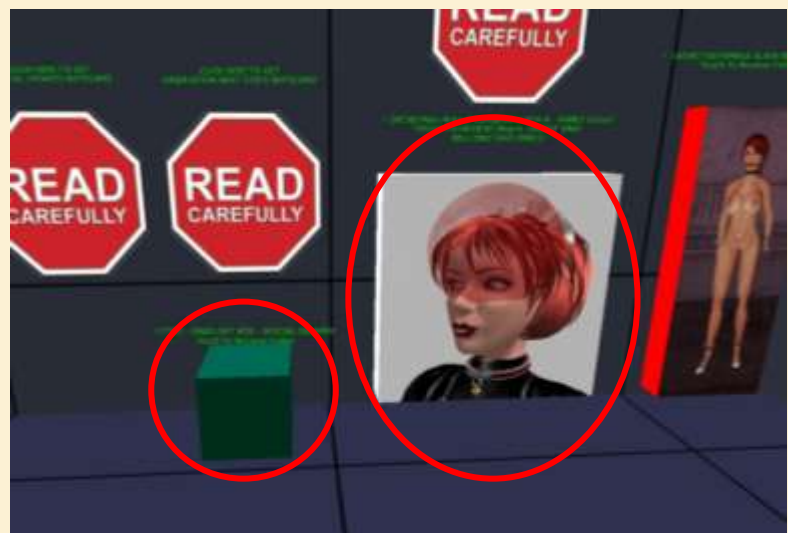

If you did not receive the graduation gift or the next steps card, you can get them here by clicking on the green box. You will need to be in your new Toys Dancer tag.

For everyone else we're here for the new less restrictive Mars Ring of Compliance.

You need to be in group and out of RLV (sorry).

Make sure to **remove and purge the B version ring** and **replace it with the A version**. Then log back into RLV. This ring change is **VERY IMPORTANT**

Now is when you can change out of the student body we gave you and back into your prior look. OR you can use the contents of the graduation gift to make over your avatar. There are

numerous shapes, skins and hair in the box that will allow you to create an attractive and unique avatar.

If you need some help with sizing and arranging things, take Madame Aprille's tutorial in the sandbox located between Portals 4 & 5.

THE HOUSES

Remember always, you are owned by Madame Aprille.

The houses help us to ensure that you receive the kind of attention you desire and spread that responsibility among our large number of girls and Dominants.

To your left, as you stand looking at the Update Centre wall, is the Houses Portal. Girls at Toys join one of three houses based on their preferred style of BDSM. The houses are named after our three associate Madames; Hotaling, Hansen and Braveheart, the Madames do not run the Houses, that falls to a group of Senior Dominants.

Choose a house by reading the description of each. When you've decided which most closely matches your style of BDSM or D/s click on the sign for that group to receive a group invite. **JOIN ONLY ONE HOUSE.** You may in future move to another house, if you wish. In fact, we encourage you to experience all of the different Dominants and styles.

After receiving your group invite, open the group and send a message to your new sisters and dominants in group chat letting them know you have joined. In addition, find the officer in the house and send a notecard to her. Currently in Hotaling house that is Lady Venom (Sr. Mistress), in Hansen, Tai (Sr. Mistress) and in Braveheart, Mistress Bigkat (Sr. Mistress).

Each of the houses is interested in who you are and will request that you complete a notecard early on describing your experience with D/s or BDSM or slavery...it is okay to have no experience, we're more than

happy to be your introduction. If you have lots of experience in RL or in SL we cherish it. You will no doubt quickly become a valuable resource for your house as they train less experienced girls. Take the opportunity to tell them a little about you (NO RL INFORMATION required); what drew you to Toys; what do you hope to find here?

Make sure you change back to your Toys Dancer tag, to do that, find the group in your "My Groups" tab, scroll down, highlight "Toy Slaves" then click on the checkmark at the bottom of the window.

THE CLUB

Very soon we are going to turn you loose to use the blue teleport pads to travel to the club and begin your first 30 days of service to Madame, but first, check:

- 1. Do you remember how to properly address the Dominants you meet?
(Madame, Mistress, Master, Sir or Mister and Miss...look at their tags)**
- 2. Do you have a good profile picture? (the photo studio is right behind you)**
- 3. Before you forget, go to the Dominant Boards early and friend the Dominants and give them proper permissions.**
- 4. Are you wearing the Mar's Ring, Collar, brand, wrist cuffs, tattoo & QR barcode?**

You may now use the blue teleport pads to visit the club and begin your service to Madame Aprille. During your first 10 days you should explore the play areas and dance in the club, make friends with your sisters, even take them to the play areas and explore together if you wish.

We welcome you to Toy Slaves, Congratulations on your achievement!

♥ GOOD LUCK - KISSES - MADAME APRILLE SHEPHERD ♥

Portal 5

You were wondering about Portal 5? It is only available to you now that you have graduated. It contains 10 lessons, tests and hypnos to help you realize and reach your slavery.

(10 x 30 minute lessons with quiz & trance)

Please do not rush through the lessons. **We ask that you take no more than two lessons and their Hypnos in any 24 hour period.** The sessions are intense and we want you to totally immerse yourself in them. You may return to take the lessons and Hypnos as often as you wish. Many girls return again and again allowing their submission to grow.

Finally,

Things to remember...

- You are not permitted to leave the sim, except in the company of a dominant. We have many play areas for you to explore. Explore on your own or choose a sister and play together.
- For the first 10 days you will be restricted to dancing in the club or participating in static role-plays as Madame directs. **Exceptions, allowing you to escort, can be made with permission. Permission may be granted on an individual basis, we base the decision on your desire and role playing experience. It is important that the client has a good experience.**
- Please be sure to note your collaring date in your profile description.
- Following this initial 10 day period, Madame will allow you to become a "toy slave escort".

As a "toy slave escort", you will begin your escorting duties for Madame. You will be expected to, in addition to dancing, take clients to our play areas for sex. Your knowledge of those areas will enable you to be the professional girl delivering great service that we know you can be.

Once you have completed your 30 days service, you have 3 choices:

- 1) you may leave, no questions asked ... We will ask you to leave the groups, but, you may remain a Toy Slave Lover and visit at any time**
- 2) you may remain a Toy Slave escort for a further 30 days, this option will be available to you after every 30 day period**
- 3) you may ask Madame to allow you to become a full "toy slave"*. We hope that you will pick this third option and become a member of our elite club, but, you are free to choose either of the first two.**

*** a toy slave is an "alpha girl". Her tag proudly proclaims that she has chosen a lifetime of service to Madame and the family. She is due the respect of a truly professional submissive.**
